DISKUSI PANEL

REYNOLD WIJAYA, FOUNDER OF MODALKU

Reynold is the co-founder of Modalku and Funding Societies, pioneer peer-to-peer lending platforms for SMEs loans in Indonesia, Singapore and Malaysia. His ultimate dream is to build a better Indonesia through business impacts. He started both companies while he was completing his MBA at Harvard Business School.

Reynold holds an MBA degree from Harvard Business School and he graduated Summa Cum Laude from The University of Michigan with a Master and Bachelor degree in Industrial and Operations Engineering. His passion in business and operations led him to do internships in various plants and companies during his college years, where he gained hands-on experience on leading operations.

Reynold is the co-founder of Let's Go to School in Indonesia, a non-profit organization committed to help financially-challenged children resume education.

FARINA SITUMORANG, MANAGING PARTNER OF CATALYST STRATEGY

Farina is a thought leader in digital marketing strategy. She advised clients on how to implement an experimentation approach in growing their business. As the managing partner of the firm, she aims to make Catalyst the most enjoyable place to work in Indonesia. Farina returned to Indonesia after working for various tech startups in Silicon Valley and tech giants such as Blackberry and Microsoft. Farina received her Bachelor of Science from University of Indonesia and her M.B.A. from Kellogg School of Management in Northwestern University.

WINSTON UTOMO, CEO & Editor-in-Chief at IDN Media

Winston Utomo is the CEO & Editor-in-Chief at IDN Media, a multi-platform digital media company for Millennials and Gen Z in Indonesia. Prior joining IDN Media, Winston worked at Google in Singapore as a Senior Account Strategist and St. John Capital in San Francisco as a Project Manager. He graduated from University of Southern California, Los Angeles, for his Bachelor degree and Columbia University, New York, for his Master degree. His all time favourite quote is "Work hard, be kind to one another, amazing things will happen".

WORKSHOP
